

# Chipping Warden north A361 road closure update

June 2020 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review.

We have postponed all face-to-face engagement events and meetings and have put in place a number of channels to communicate with communities, such as letters and phone calls, as well as updates and alerts from each of the local community websites.

You can sign up for regular updates in your local area at [www.hs2innorthants.co.uk](http://www.hs2innorthants.co.uk)

As a local resident we are writing to update you on the full road closure on the A361 this weekend, from 8pm Friday 19 June 2020 to 6am Monday morning 22 June 2020. This is in the area of the Welsh Road junction north of Chipping Warden. There will be another weekend closure planned in this location.

## What are we doing?

Our Subcontractor Buckingham Group Ltd with their Traffic Management supplier will be closing the A361 between 8pm on 19 June 2020 until 6am on 22 June 2020. The closure is for road resurfacing works, this will require the removal of the existing tarmac surface ahead of the new surface being laid. The A361 diversion route is similar to the diversions put in place for the previous weekends.

Please go to [www.hs2innorthants.co.uk](http://www.hs2innorthants.co.uk) for more details about the diversion route.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

### Duration of works

The closure works will begin Friday 19<sup>th</sup> June and will continue until the morning of Monday 22<sup>nd</sup> June 2020

### What to expect

The full weekend closure of the A361 with diversion routes in place

Increased journey times

Local movement of our equipment and staff while the works are taking place

Some noise from our equipment and lighting around our worksite

Notification

[www.hs2.org.uk](http://www.hs2.org.uk)

The table below shows our planned schedule of works being undertaken during the closure this weekend.

Timeline	Activities Friday 19 June 2020	Activities Saturday 20 June 2020	Activities Sunday 21 June 2020
Day time (6am to 8pm)	<b>Not applicable - the A361 highway will be open as normal until 8pm when the road will be closed.</b>	Laying basecourse to Northbound carriageway.	Laying material to Northbound carriageway. <b>Commence reopening of A361</b>
Night time (8pm to 6am)	Set up of traffic management put in place the road closure. Planing of Northbound carriageway, and East leg Welsh Road.	<b>No Planned Works</b>	<b>The A361 highway will be re-opened early to traffic no later than 6am Monday 22 June 2020</b>

Some of the activities mentioned above will generate noise. We have put in place mitigation to minimise the disturbance.

## How will this affect me?

There will be some noise from our construction activities. We have sequenced our works as much as possible to ensure that the noisier activities will take place during the day. We will also use localised noise barriers to reduce noise disturbance from our equipment.

The A361 will have a full closure, you may need to plan your journey and allow more time. The diversion route will be clearly sign posted. However, residents may know alternative routes for local journeys.
