

Notice of traffic management, Boddington and Chipping Warden

January 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. Further to the Covid-19 restrictions being relaxed we are now beginning to plan for future face-to-face engagement events and meetings. Whilst we continue to move forward, we will continue to communicate with communities via letters, online meetings and phone calls. You can sign up for regular updates in your local area at www.hs2.org.uk/in-your-area

What are we doing?

Further to our bat mitigation works that took place between September and November 2021 we need to return to four of the work areas to remove logs and brash from the verges.

To complete the works safely we will need to have traffic management installed between 24 January and 2 February 2022, during the hours of 09.30am and 3pm (Mon – Fri). The programme, location and type of traffic management required is detailed below, subject to consents:

24 January 2022

Claydon Road – 15-minute full road closure (in every hour)

25 January 2022

Warwick Road - 15-minute full road closure (in every hour)

27 January 2022

Banbury Road - 15-minute full road closure (in every hour)

31 January until 2 February 2022

Appletree Road – full road closure between 9.30am and 3pm

Access through Appletree Road for pedestrians will be maintained but may incur a short wait until the area has been made safe.

Please see the location of the closures on the map enclosed

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
